Hi, I am Mia and this
is my brother, Ollie!

Who are you going
to be today, Mia?

My name is Beau Bunny!
I am supposed to stay at home and
eat carrots, but why should I miss
out on Mia and Ollie's adventures?

If I were a zookeeper,
what would I do?

I would feed the bears and
have tea with the cockatoos.

Finley

I would name the
penguins, one by one,

Kipper

Quinn

Pen

and swim with the dolphins.
It would be such fun!

Preparing the food
would be very smelly.

Imagine if I went home with
a fish stuck down my welly!

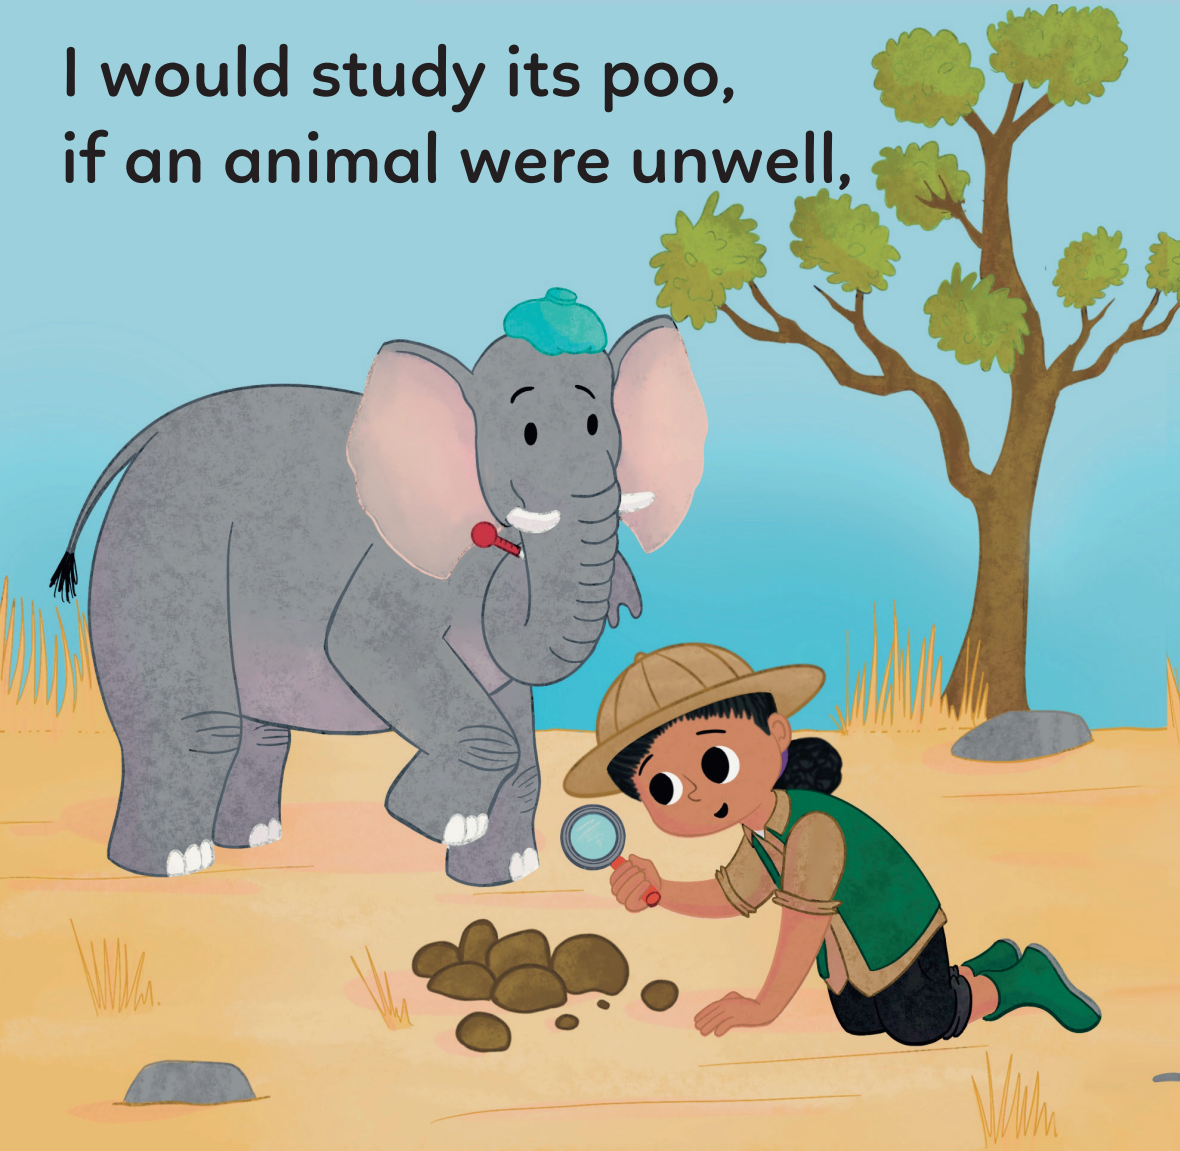

I would learn where the animals came from, and tell their tales.

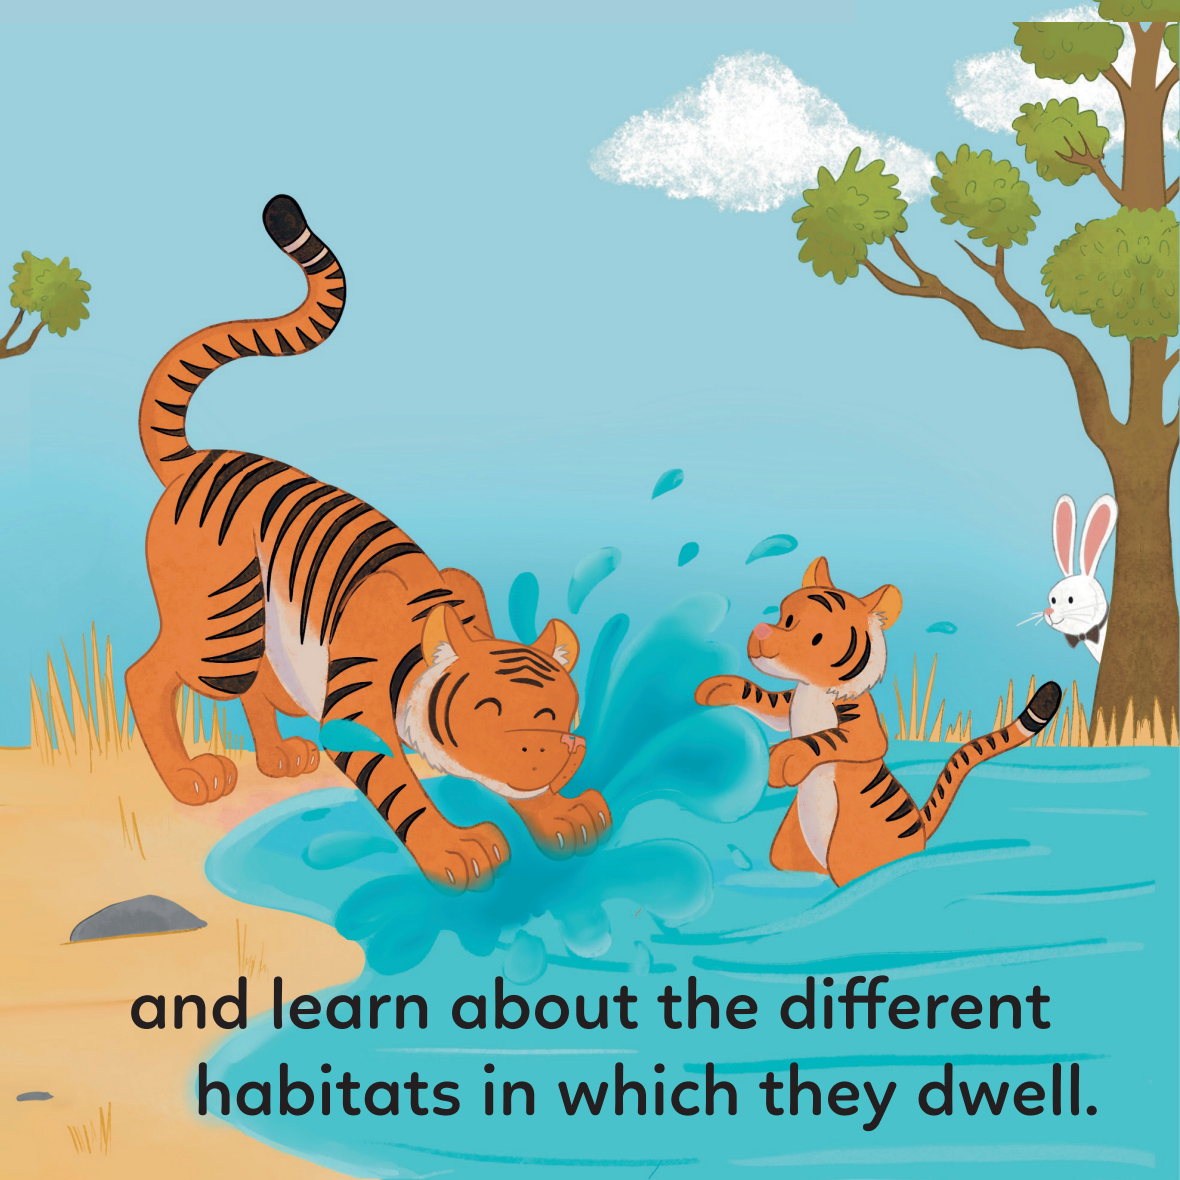

I'm not sure if I'd like the
reptiles with all their scales.

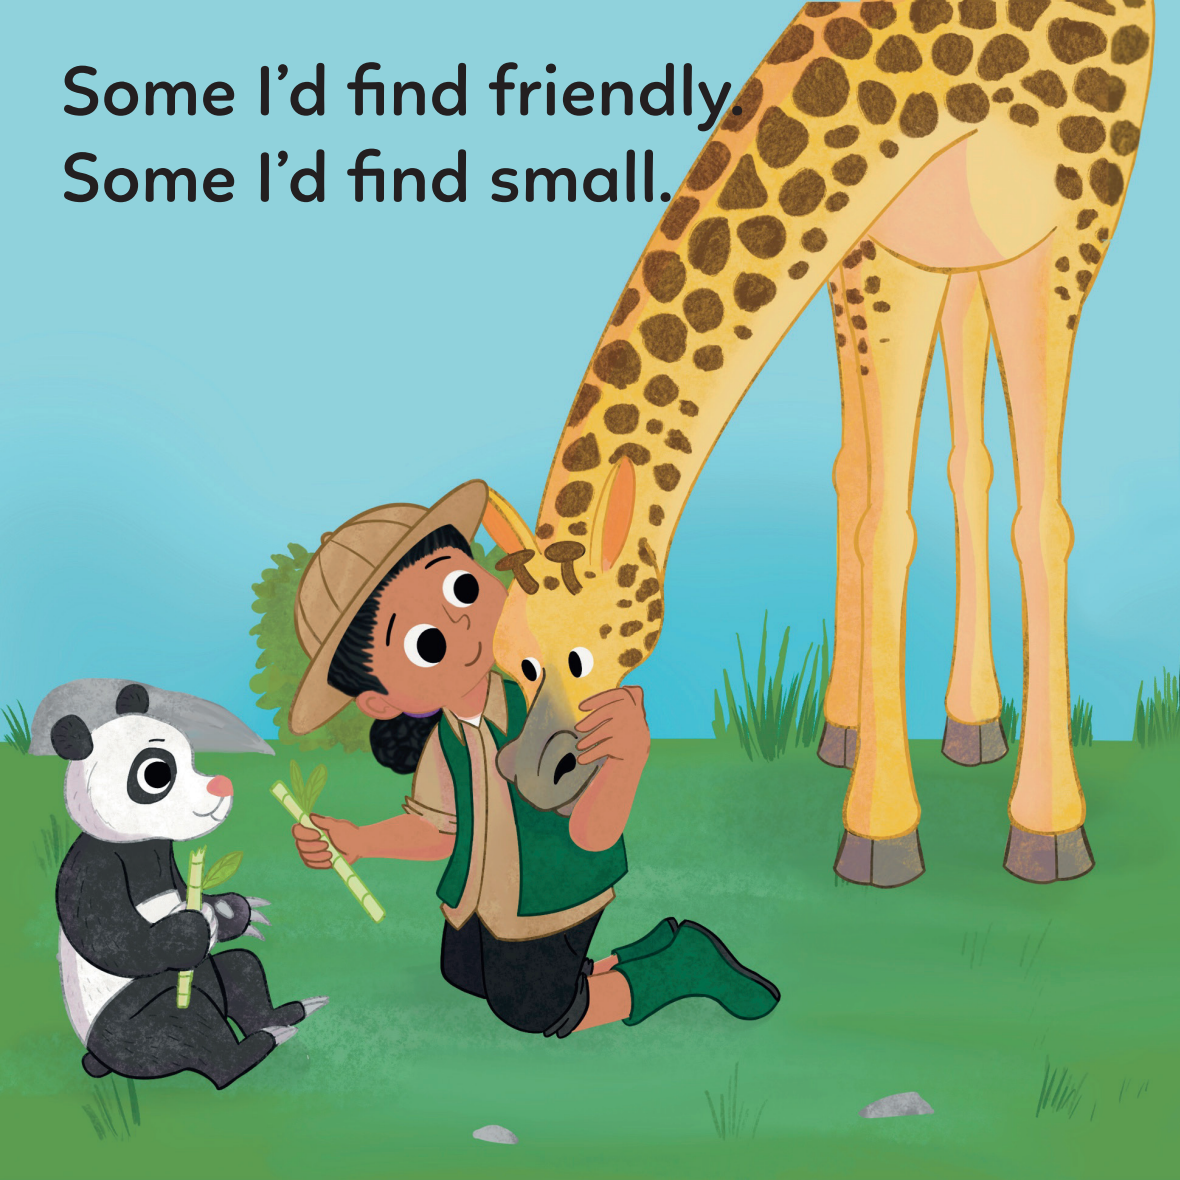

I would study its poo,
if an animal were unwell,

and learn about the different
habitats in which they dwell.

Some I'd find friendly.
Some I'd find small.

Some I would find grumpy,
but you can't love them all!

I would start out early to
prepare for the guests,

because I love the animals,
and they are the best!

It's good to talk...

Special time to explore and discover what and how your child thinks:

- When did you last go to the Zoo?
- Which is your favourite animal at the Zoo?
- Which pets do you think are related to tigers?
- What do penguins eat?
- Can you sing the song.....

*We're going to the Zoo, Zoo, Zoo
What about you, you, you
You can come too, too, too
We're going to the Zoo, Zoo Zoo*
